library

Read.

- The room where we study school subjects is a classroom.
- The place where students like to play most is a playground.

1

Listen and repeat.

Today is the first day of the new semester. Win and Non are in the fifth grade. They talk about their classroom schedule.

CLASSROOM SCHEDULE

Time \ Day	08:30-09:30	09:30-10:30	10:30-11:30	11:30-12:30	12:30-01:30	01:30-02:30	02:30-03:30
Monday	math		Thai	Lunch	social studies	career & technology	English
Tuesday	science		Thai		English	music	math
Wednesday	English	math	history		social studies	P.E.	Thai
Thursday	Thai	social studies	science		computer		English
Friday	math	English	art		Thai	health	science

Win: Hi, Non. Can I ask you about the classroom schedule? I forgot it at home and I can remember only some parts of it. When do we have a music class?

Non: Oh, we have a music class on Tuesdays.

Win: When do we have P.E.?

Non: On Wednesdays.

Win: Do we study social studies on Fridays?

Non: No. We study math, English, art, Thai, health and science.

Win: Non, do you like math?

Non: No, I don't. I like English and art. What subject do you like?

Win: I like math and music.

What class do you have on Fridays?

Math, English, art, Thai, health and science.

Listen and talk with your friends.

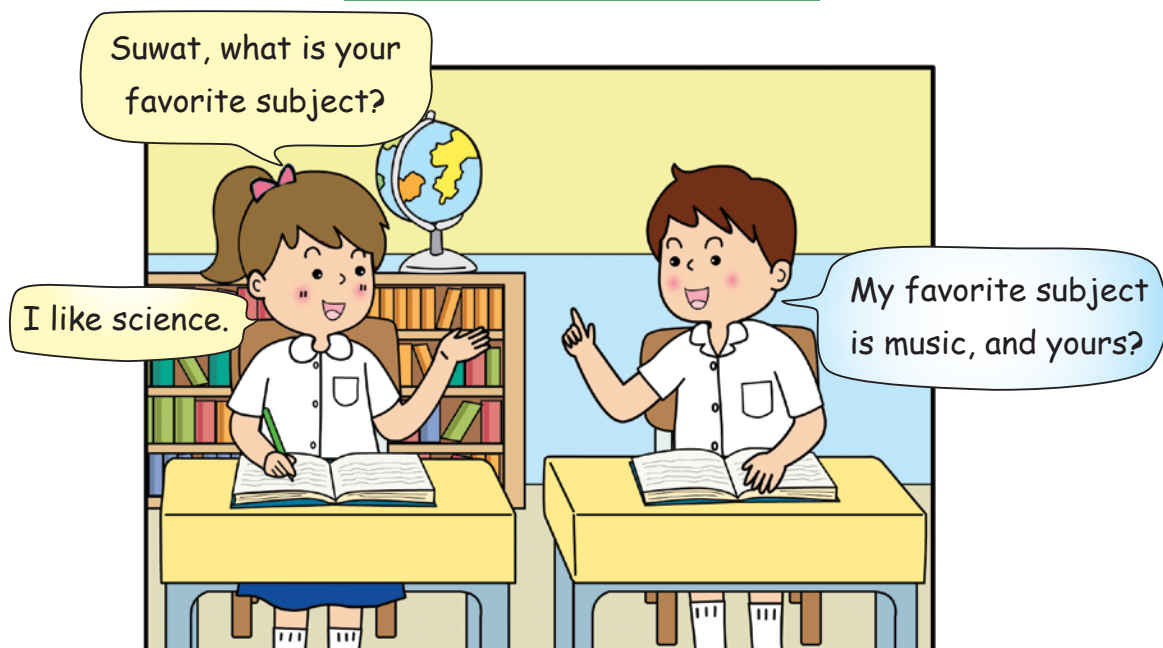

A

Ask and answer.

In Front of the Library

In the Classroom

B Practice with your friends.

What sport do you like?

I like soccer.

And what about you?

I like basketball.

gymnastics

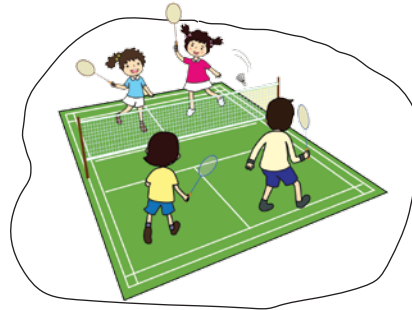

running

ping-pong

tae kwon do

badminton

swimming

volleyball

Listen, read and learn.

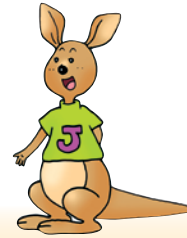

What is it?

1. It is a rectangular room. There are many desks, chairs, a world map, a blackboard, a computer and a clock in this room. We study school subjects with our friends and teachers. What room is it?

3. I like to sing and play the guitar. When I go there, I'm very happy. There are many musical instruments there. What room is it?

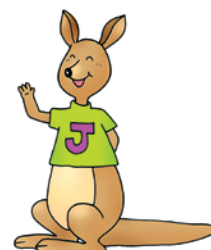

5. My brother likes to play this sport after school with his friends. They try to kick a ball into the goal. The players can't touch the ball with their hands and arms but the goalkeeper can do it. What sport is it?

2. It is a place in school. There are many food shops in this place. Students and teachers have lunch together here. We meet our friends from other classes here, too.

What is this place?

4. Yupin and Yada like this sport. They play it at home when they finish their homework. They play it on a table with a small plastic ball and two bats. What sport is it?

5

5 Read.

Happiness Elementary School

Suwat

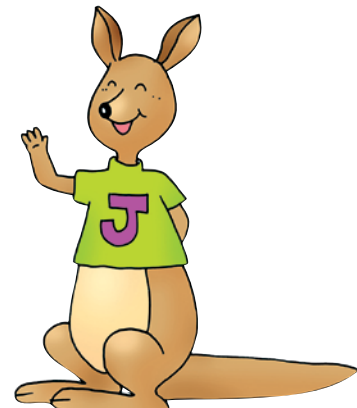

This is my school. It is Happiness Elementary School. The teachers are kind and friendly. They teach well. I love them.

At school, I have many friends. I study many school subjects: math, Thai, English, science, social studies, history, music, art, health & physical education (health & P.E.) and career & technology.

I play soccer after school. I am very happy when I am at school.

Say the answers.

1. Who is the boy in the passage?
2. Where does he study?
3. What are his teachers like?
4. What does he do after school?
5. Does he like to go to school? Why?

Listen and say the chant.

My Friends

We have many friends.
We are together until school ends.
We study, play and sing together.
We do our homework together.

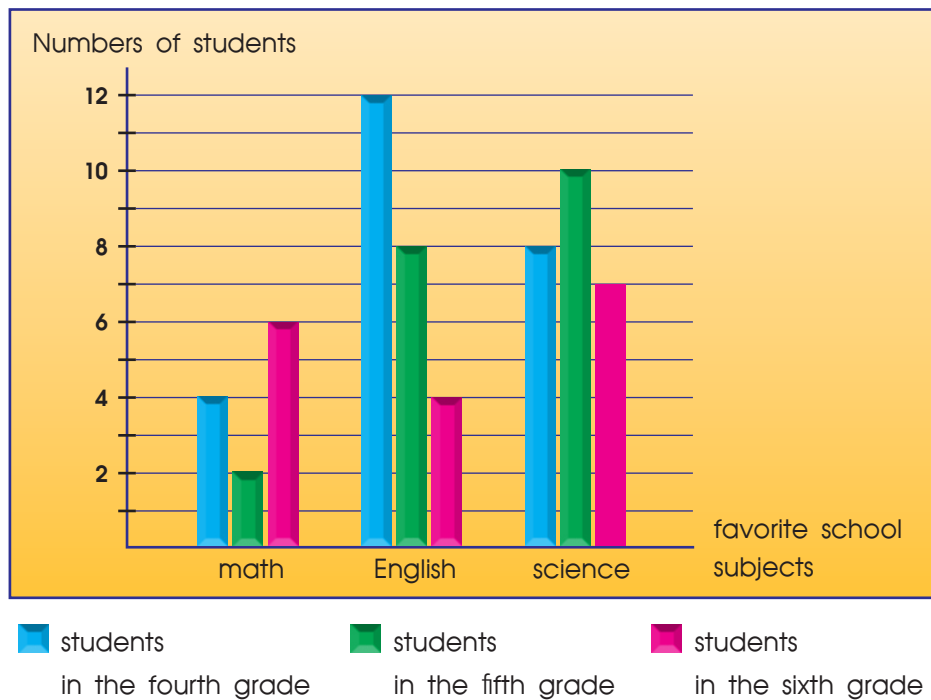

7

Learn more.

Suwat asks his friends in the fifth grade and students in the fourth and sixth grade about their favorite subjects. The graph shows the answers. Look at the graph. Read and answer the questions.

1. How many students in the fourth grade like math?
2. How many students in the fifth grade like science?
3. How many students in the fifth grade like English?
4. How many students in the sixth grade like English?
5. How many students in the sixth grade like science?
6. How many students in the fourth grade like English?
7. How many students in the fifth grade like math?
8. How many students like English?
9. Who likes science most?

Say the words.

Listen and repeat.

Things I can do.

Now I can...

talk about the rooms and places in school.

talk about school subjects and sports.

read passages about the soccer game and an elementary school.

say the chant.

make a bar graph about my friend's favorite school subjects or sports.
